<b>U13+</b>	<b>6:45-8:00pm</b>

The Surdel Academy is open to all players U6-U16. This Academy program is geared to those players who are interested in a competitive and tiered development program. The Academy philosophy is to place like-minded and like-skilled players together, allowing players to train and develop in an environment suitable to their current ability with professional coaching and feedback.

Training sessions focus on skill development, teamwork and age-appropriate tactical play. The programs are led by Club Technical Director Mark Pennington and his professional coaching staff.

The Academy is a supplementary training program and does not replace spring team play.

**Cost: \$170**
